## Recycling

Recycling carts, labeled G. Mello Disposal, are the property of the G. Mello Disposal Corporation and should not leave the address it has been assigned to. Please write the address on the cart with a permanent marker.

**NO PLASTIC BAGS** OF ANY TYPE TO BE PLACED IN CART. Please take them to a local grocery store.

Do not put other items in the recycling cart such as hoses, wood, rope, car parts, etc.

If you know the recycling truck backs down your street please place your cart on the right side of the road as your vehicle is leaving your road the same way the recycling truck does.

If you have additional recycling you can use an old trash container marked "Recycling". The DPW office has free **recycling stickers** you can put on the container, so that the truck drivers know it is recycling and not trash.

Place cart at the curb/edge of road, otherwise the mechanical arm cannot reach your container.

Cart lid opening should be facing the road. Did we say "No Plastic Bags"!
